

Leadership Conversations

Enhancing Foundational Skills : Leading Your Team Successfully, Virtually

Now, more than ever, teams need their leaders, and being able to effectively engage with them is a critical skill. Teams still need to produce results to ensure the business functions in this uncertain environment.

This highly engaging and interactive program equips you with tools and techniques to deliver effective conversations with your teams. The program consists of foundational elements, that are used as core characteristics of all other leadership conversations, including coaching and feedback.
